

# Safety Data Sheet

## Wheat Flour, Bran, Middlings and Germ

SDS Review Date:

04/16/2021

### 1. Identification

#### 1.1. Product identifier

**Product Identity** Wheat Flour, Bran, Middlings and Germ  
**Alternate Names** Wheat Flour, Bran, Middlings and Germ

#### 1.2. Relevant identified uses of the substance or mixture and uses advised against

**Intended use** See Technical Data Sheet.  
**Application Method** See Technical Data Sheet.

#### 1.3. Details of the supplier of the safety data sheet

**Company Name** Grain Craft  
201 W. Main Street, Suite 203  
Chattanooga, TN 37408

#### Emergency

**Emergency Telephone No.** 423-265-2313  
**Customer Service: Grain Craft, Inc.** 423-265-2313

### 2. Hazard(s) identification

#### 2.1. Classification of the substance or mixture

Combustible Dust May form combustible dust concentrations in air.

#### 2.2. Label elements

Using the Toxicity Data listed in section 11 and 12 the product is labeled as follows.

#### Warning

May form combustible dust concentrations in air.

#### [Prevention]:

P210 Keep away from heat / sparks / open flames / hot surfaces - No smoking.  
P240 Ground / bond container and receiving equipment.  
P241 Use explosion-proof electrical / ventilating / light / equipment.  
P280 Wear protective gloves / eye protection / face protection.

#### [Response]:

P370+378 In case of fire: Use extinguishing media listed in section 5 of SDS for extinction.

#### [Storage]:

No GHS storage statements

#### [Disposal]:

No GHS disposal statements

# Safety Data Sheet

## Wheat Flour, Bran, Middlings and Germ

SDS Review Date:

04/16/2021

### 3. Composition/information on ingredients

This product contains the following substances that present a hazard within the meaning of the relevant State and Federal Hazardous Substances regulations.

| Ingredient/Chemical Designations        | Weight % | GHS Classification | Notes |
|---|----------|--------------------|-------|
| Wheat flour<br>CAS Number: 0130498-22-5 | 75 - 100 | Combustible Dust   | [1]   |

In accordance with paragraph (i) of §1910.1200, the specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

[1] Substance classified with a health or environmental hazard.

[2] Substance with a workplace exposure limit.

[3] PBT-substance or vPvB-substance.

\*The full texts of the phrases are shown in Section 16.

### 4. First aid measures

#### 4.1. Description of first aid measures

##### General

In all cases of doubt, or when symptoms persist, seek medical attention.  
Never give anything by mouth to an unconscious person.

##### Inhalation

Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped, give artificial respiration. If unconscious place in the recovery position and obtain immediate medical attention. Give nothing by mouth.

##### Eyes

Irrigate copiously with clean water for at least 15 minutes, holding the eyelids apart and seek medical attention.

##### Skin

Wash skin thoroughly with soap and water.

#### 4.2. Most important symptoms and effects, both acute and delayed

##### Overview

Asthmatics, allergenic and hypersensitive persons may be sensitive to grain products. The dust may cause irritation to the skin, eyes or respiratory tract. If the user's process generates respirable dust, then respiratory protection must be used. Smokers have an increased risk to respiratory effects.

Moderate to severe symptoms of cough and sputum production.

Respiratory conditions may be aggravated by chronic or acute exposures.

### 5. Fire-fighting measures

#### 5.1. Extinguishing media

Water, water fog, foam, dry chemical powder, carbon dioxide

#### 5.2. Special hazards arising from the substance or mixture

Hazardous decomposition: No hazardous decomposition data available.

Keep away from heat / sparks / open flames / hot surfaces - No smoking.

Ground / bond container and receiving equipment.

Use explosion-proof electrical / ventilating / light / equipment.

# Safety Data Sheet

## Wheat Flour, Bran, Middlings and Germ

SDS Review Date:

04/16/2021

### 5.3. Advice for fire-fighters

Straight streams may disperse dust into air. Dust dispersed by hose streams may explode.

ERG Guide No. ----

## 6. Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

Put on appropriate personal protective equipment (see section 8).

### 6.2. Environmental precautions

Use good personal hygiene practices. Wash hands before eating, drinking, smoking or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.

### 6.3. Methods and material for containment and cleaning up

Clean up: vacuum, scoop, shovel or sweep. Milled grain products are combustible but not generally flammable. The dispersal of milled grain products into confined atmospheres at high density (over 50 mg/m<sup>3</sup>) could produce product and air mixtures that are ignitable or explosive.

## 7. Handling and storage

### 7.1. Precautions for safe handling

Avoid dust generation when handling product to minimize dust explosion potential.

See section 2 for further details. - [Prevention]:

### 7.2. Conditions for safe storage, including any incompatibilities

Handle containers carefully to prevent damage and spillage.

Keep container tightly closed.

Incompatible materials: No data available.

Store in a cool, dry place, away from high heat sources

### 7.3. Specific end use(s)

No data available.

# Safety Data Sheet

## Wheat Flour, Bran, Middlings and Germ

SDS Review Date:

04/16/2021

### 8. Exposure controls and personal protection

#### 8.1. Control parameters

##### Exposure

| CAS No.      | Ingredient  | Source   | Value                |
|--------------|-------------|----------|----------------------|
| 0130498-22-5 | Wheat flour | OSHA     | No Established Limit |
|              |             | ACGIH    | No Established Limit |
|              |             | NIOSH    | No Established Limit |
|              |             | Supplier | No Established Limit |

The exposure limits for nuisance dust are: OSHA PEL: 15 mg/m<sup>3</sup> (50 mppcf\*) TWA, ACGIH 10 mg/m<sup>3</sup>.

##### Carcinogen Data

| CAS No.      | Ingredient  | Source | Value  |
|--------------|-------------|--------|--|
| 0130498-22-5 | Wheat flour | OSHA   | Select Carcinogen: No  |
|              |             | NTP    | Known: No; Suspected: No   |
|              |             | IARC   | Group 1: No; Group 2a: No; Group 2b: No; Group 3: No; Group 4: No; |

#### 8.2. Exposure controls

##### Respiratory

Approved dust masks (MSHA or NIOSH)

##### Eyes

Goggles, if necessary.

##### Engineering Controls

Provide adequate ventilation. Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction. If these are not sufficient to maintain concentrations of particulates and any vapor below occupational exposure limits suitable respiratory protection must be worn.

##### Other Work Practices

Use good personal hygiene practices. Wash hands before eating, drinking, smoking or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.

See section 2 for further details. - [Prevention]:

### 9. Physical and chemical properties

##### Appearance

White to off white Solid

##### Odor

Odorless to natural wheat odor

##### Odor threshold

Not determined

##### pH

Not Measured

##### Melting point / freezing point

Not Measured

##### Initial boiling point and boiling range

Not Measured

##### Flash Point

390-500 F

##### Evaporation rate (Ether = 1)

Not Measured

##### Flammability (solid, gas)

Not Applicable

##### Upper/lower flammability or explosive limits

**Lower Explosive Limit:** 50 g/m<sup>3</sup>

**Upper Explosive Limit:** Not Measured

**9.2. Other information**

No other relevant information.

### 10. Stability and reactivity

**10.1. Reactivity**

Hazardous Polymerization will not occur.

**10.2. Chemical stability**

Stable under normal circumstances.

**10.3. Possibility of hazardous reactions**

No data available.

**10.4. Conditions to avoid**

Dense concentration in air

**10.5. Incompatible materials**

No data available.

**10.6. Hazardous decomposition products**

No hazardous decomposition data available.

### 11. Toxicological information

**Acute toxicity**

| Ingredient                  | Oral LD50,<br>mg/kg  | Skin LD50,<br>mg/kg  | Inhalation<br>Vapor LC50,<br>mg/L/4hr | Inhalation<br>Dust/Mist LC50,<br>mg/L/4hr | Inhalation<br>Gas LC50,<br>ppm |

## 12. Ecological information

### 12.1. Toxicity

No additional information provided for this product. See Section 3 for chemical specific data.

### Aquatic Ecotoxicity

| Ingredient                  | 96 hr LC50 fish, mg/l | 48 hr EC50 crustacea, mg/l | ErC50 algae, mg/l |
|-----------------------------|-----------------------|----------------------------|-------------------|
| Wheat flour - (130498-22-5) | Not Available         | Not Available              | Not Available     |

### 12.2. Persistence and degradability

Milled wheat products are biodegradable.

### 12.3. Bioaccumulative potential

Not Measured

### 12.4. Mobility in soil

No data available.

### 12.5. Results of PBT and vPvB assessment

This product contains no PBT/vPvB chemicals.

### 12.6. Other adverse effects

No data available.

## 13. Disposal considerations

### 13.1. Waste treatment methods

According to federal, state, and local regulations. Milled wheat products are biodegradable.

### 15. Regulatory information

**Regulatory Overview**    The regulatory data in Section 15 is not intended to be all-inclusive, only selected regulations are represented.

**Toxic Substance Control Act ( TSCA)**    All components of this material are either listed or exempt from listing on the TSCA Inventory.

**WHMIS Classification**    Not Regulated

**US EPA Tier II Hazards**

**Fire:** Yes

**Sudden Release of Pressure:** No

**Reactive:** No

**Immediate (Acute):** No

**Delayed (Chronic):** No

**EPCRA 311/312 Chemicals and RQs:**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**EPCRA 302 Extremely Hazardous:**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**EPCRA 313 Toxic Chemicals:**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Carcinogens (>0.0%):**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Developmental Toxins (>0.0%):**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Female Repro Toxins (>0.0%):**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Male Repro Toxins (>0.0%):**  
To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

# Safety Data Sheet

## Wheat Flour, Bran, Middlings and Germ

SDS Review Date:

04/16/2021

**New Jersey RTK Substances (>1%) :**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Pennsylvania RTK Substances (>1%) :**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

### 16. Other information

The information and recommendations contained herein are based upon data believed to be correct. However, no guarantee or warranty of any kind, expressed or implied, is made with respect to the information contained herein. We accept no responsibility and disclaim all liability for any harmful effects which may be caused by exposure to our products. Customers/users of this product must comply with all applicable health and safety laws, regulations, and orders.
